May 2015

Its that time of year when many of our dancing friends leave for the summer. Here the days are getting hotter, but we have some REALLY COOL EVENTS lined up for you this month.

May 2nd we start with our HAWAIIAN THEME DANCE. At intermission we will be entertained by Troy Ahia and his Hawaiian friends performing original music from the Islands together with hula dance performance. Troy will also give us a lesson in hula dance, so dig out your MumMums, grass skirts and Hawaiian shirts and get ready to swing your hips. Here is also your opportunity to be creative and show off your cooking skills, by bringing a dish to share for our finger food buffet. The dance lesson is Fox Trot and our music maestro is Manuel Donates.

May 9th Music is by our very own Michael Carollo. The dance lesson is foxtrot and yes another intermission dance showcase by TONY AND MELLISSA from DANCE DOCTORS. They are performing a super TANGO. Mellissa is an up and coming dancer with a background of gymnastics and ice skating. Tony is a well established dance instructor specializing in the latin dances, and also a fitness instructor, so be prepared for a very athletic performance.

May 16th Yes we have Michael Carollo again who very kindly stepped in to fill a cancellation. The dance lesson is Foxtrot.

May 23rd. Our music tonight is performed by a very versatile young man with so many different sounds, Jared Howe. The dance lesson is Foxtrot. It is great to see so many dancers coming to us from outside the Sun Cities. You are all very welcome.

May 30th Is our ever popular ICE CREAM SOCIAL. This will help you cool off and be ready for more dancing to music by The Blue Notes. New dance lesson. It is Night Club 2 step. I just love this dance. You can sway like a tree in the breeze and express your individual movement.

Make a note for next month. June 27th will be a new addition to our program. Barbecue Ribs dinner catered by Fuzzys. We have it on very good authority that this meal is finger licking good.

Thank you for being a part of Hillcrest Dance Club family and don't forget, if you see someone without a smile give Them One Of Yours. Stay Happy and Healthy
