

Hillcrest Dance & Social Club Newsletter September 2016

Hi Everyone,

Hope you all survived 'THE HEAT' and are ready to spend Saturday nights dancing with us again. The dance lesson for all of September is THE SAMBA, one of the easier dances and one which I am sure you will enjoy.

SEPTEMBER 3rd: We get the ball rolling with MICHAEL LAWRENCE CAROLLO providing his usual lively selection of dance music.

SEPTEMBER 10th: RICH HOWARD along with Brad, will be getting us 'IN THE MOOD'. Let's shake off those summer cobwebs and extra pounds whilst enjoying our favorite pastime - DANCING!!!

SEPTEMBER 17th: Yes, we have MICHAEL LAWRENCE CAROLLO again, and this is a special night. We are celebrating the wedding anniversaries of two Hillcrest Couples, Sam and Maria D'Angelo who will reach 66 years together, and George and Peggy Pearson achieving 60 years together.

Once again the SCW Automobile Restoration Club will be providing Very Special Vintage cars to transport our couples to the Social Hall, where we can all enjoy the experience of welcoming them. I so appreciate having the opportunity to be a part of these memorable and rare events.

Don't forget to sign up for next week's Membership Meeting so we can reserve a sandwich for you.

SEPTEMBER 24th: THE BREEZE will be entertaining us and it will be the last Samba lesson. Membership meeting at 5:30 pm. This is an important meeting as we need to get serious about finding replacements for the following Officers and Chairpersons:- President, Singles coordinator, Reception and Social and Catering. If you would be interested in any of these positions or would like to nominate someone else we would be delighted to hear from you.

Tickets will go on sale for our Octoberfest Dinner on **Sept 24th**. This is a wonderful dinner, catered by Fuzzy's. **Menu: Bratwurst, Sauerkraut, German Potato Salad, Green Salad, Rye Bread, German Chocolate Cake. Price: \$10.00**

*I would like to thank all members and guests for their continued support of Hillcrest Dance Club. Together you make it a special place to be on Saturday Night.
Doreen Gill, President.*
